

Call for registration and Abstracts submission

Dear Colleagues,

We would like to inform you that the **7th International Conference of Mycotoxicology and Food Security (ICM, 2025)** will be held at Hangzhou, Zhejiang Province, China on **November 17-20, 2025**.

This conference will provide an academic exchange platform for government, researchers and companies, strengthen the global advanced knowledge on mycotoxins, extend the worldwide cooperation network, with particular attention on Asian countries, and promote the global development of advanced and innovative mycotoxin management technologies. The main theme of this conference on Global mycotoxin challenges 2025 is: ***Risk Assessment and Advanced, Sustainable, and Intelligent Solutions for Mycotoxin Management Along Food/Feed Chain***. This conference will be held under the auspices of the International Society on Mycotoxicology, Thai Society of Mycotoxicology and Japanese Society of Mycotoxicology.

You are kindly invited to visit the congress website <https://icm2025.cn>. Registration is made by filling out the online registration link

The abstract should be submitted via the congress on line :

(xujiayu@xhlab.ac.cn) and by using the form that can be downloaded from the conference website after following the instructions therein.

Important Dates :

Deadline for registration: 20 September 2025

Deadline for abstract submission: 15 July 2025

Notification of abstract acceptance: 30 July 2025

You can also follow all the news related to the congress through the congress website. For any inquiries, you can contact the congress secretariat via the congress Email xujiayu@xhlab.ac.cn , Phone: +86 17326037598 or WeChat: xjy9854298_

You are most welcome in China in the fall of 2025
